

LIBRARY CLOSING: To protect the health of our patrons, staff and community the Brazil Public Library will close to the public at 6:00pm, March 17, 2020 until further notice. Thank you for your understanding

There are many things you can do online with your Brazil Public Library (BPL) card, like checking out e-books, listening to music, audiobooks, reading e-magazines and watching movies. All you need is a valid BPL card and to download the app LIBBY from the Play Store or Apple Store app to a device.

WiFi will remain on as normal from 10:00am-7:30pm. It can be accessed from the public parking lot just South of the Library for those who need to access the Internet.

Book drop is located on the South side of the Library and Media drop is in the wall on the East, front side, of the Library made into the Bedford stone so items come right into the building.

Friends of the Library book sale will also be closed until further notice. Book donations will also not be taken until further notice.

If you have any questions or concerns please call 812-448-1981 and leave a message on the answering machine and someone will return your call the next business day.
